# Welcome

Thank you for considering Nicholson's Fine Food & Whisk(e)y, in the heart of Downtown Cincinnati's Theater District. Our centrally-located venue on Walnut Street sits directly across from The Aronoff Center and is just minutes away from Fountain Square, The Banks, hotels, and other downtown attractions along with ample parking options.

Nicholson's has offered fine food and drink in a genuine Scottish tavern setting for 25 years. Taking inspiration from gastropubs throughout Scotland and the U.K., our goal is to provide our guests with authentic hospitality and a unique dining experience.

We offer several private and semi-private dining spaces, perfect for rehearsal dinners, professional meetings, showers, birthdays, and more. The Garden Room is enclosed by glass doors for full privacy with an open feel and includes a private adjoining patio. The Hearth Room features authentic Scottish decor and an inviting fireplace for guests to enjoy. Our newly-renovated Horse & Barrel Room is available for special events, offering a whiskey themed space with a view of Nicholson's grand bar.

If you are hosting an event that requires additional space or more seated options, inquire about our private event menu at The Backstage Event Center located above Nicholson's. This rustic-modern venue features city views, outdoor terrace seating, and is the perfect place for larger weddings, corporate, and social gatherings.

Our all-inclusive approach to event planning, including an exceptional in-house catering program, makes hosting an event with us effortless. This menu is prepared by our executive chef and includes many of Nicholson's classic dishes as well as popular party options. Custom menus are also available.

We appreciate your interest in our unique location and we look forward to coordinating your event down to the finest detail to provide an unforgettable experience.
