Nicholson's will donate \$1 from every featured item sold to MUSE Cincinnati Women's Choir.

Since its inception in 1984, MUSE has performed in colleges, schools, churches, prisons, temples, hospices, street events, conferences, and workshops promoting peace, equality, and justice. As a nonprofit organization, contributions from our generous supporters and fans are what keeps the music and mission of MUSE alive! We believe musical excellence is essential to effectively deliver our mission and message with integrity, joy, and passion. Professional artistic staff leads our auditioned, volunteer choir that brings a diverse mix of musical talent and training. We embrace our responsibility as global musical ambassadors and value artistic partnerships with other leading social justice and women's organizations.
